YOU CAN HELP ME BY:

- Speaking in a calm tone of voice
- Speaking in clear, concise sentences
- Letting me know that everything is going to be OK
- Giving me time and space to calm down and process questions or instructions

I AM WORKING VERY HARD TO:

- Process questions and follow instructions
- Manage sensory issues when I feel overwhelmed by lights, noise, and too much information

WHEN I AM OVERWHELMED I SOMETIMES:

- Cry or yell
- Hit or kick
- Hide and cover my ears

PLEASE DO NOT INTERRUPT

My learner has Autism and we are in the middle of implementing a behavior plan.

We have strategies that work with time, so please have patience as we follow through.

If I need help, I will ask directly for what I need.

Thank you for understanding.
